Programme Report

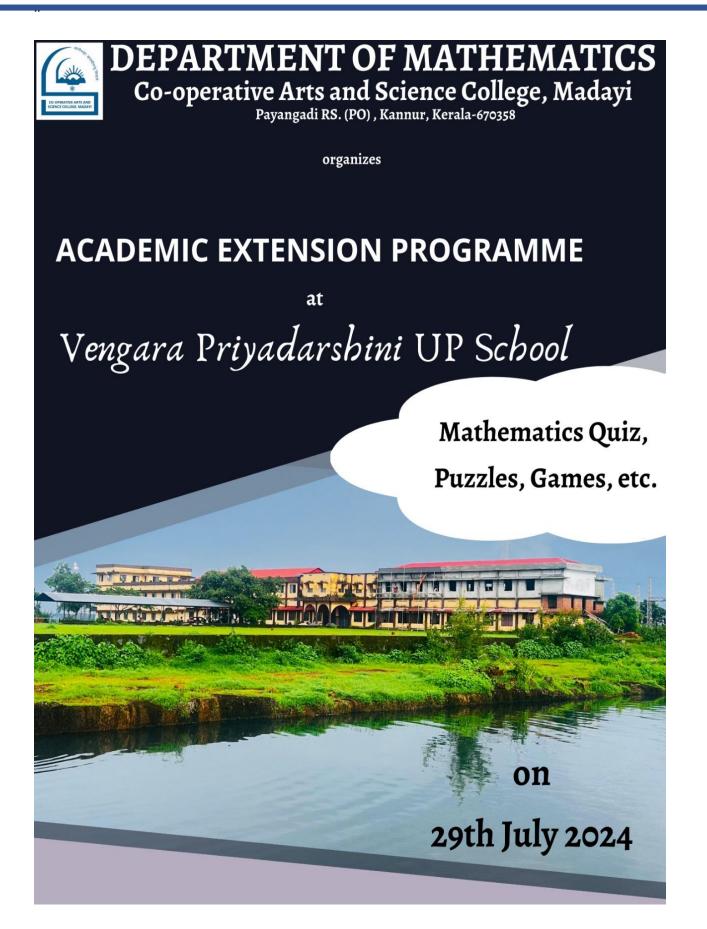

Name of the Programme: Academic Extension Programme Date: 29th July 2024 Venue: Priyadarssini UP School, Vengara

The Department of Mathematics organized an academic extension programme at Priyadarshini UP School, designed to foster mathematical skills and enthusiasm among upper primary students. The engaging programme featured a mathematics quiz, puzzle-solving activities, and interactive games. The event was successfully conducted by final-year BSc Mathematics students of the department, providing them with valuable experience in outreach and community engagement.
