

22.08.2019

Programme Report

Name of the Programme: Mathematics Exhibition - Vattapoojyam

Date: 21.08.2019 – 22.08.2019

Venue: CAS College, Madayi

Department of Mathematics conducted an exhibition ‘Vattapoojyam-2019’ on 21st and 22nd of August 2019. Students from various schools and colleges actively participated in the programme. As part of the exhibition, department students created working models and still models based on Mathematics. They also made attractive and mind blowing picture charts including fractal patterns and geometric patterns. Students also made variety of Mathematical puzzles. Participants from various schools and colleges actively engaged in solving these puzzles, with successful solvers receiving surprise gifts. In the afternoon session a quiz competition in Mathematics is conducted for higher secondary students. Students from GHSS Kottila, Wadihuda HSS and GVHSS BOYS Madayi were actively participated in the competition.
