Programme Report

Name of the Programme: Workshop on GeoGebra

Date: 11th and 12th December 2023

Venue: Computer Lab, CAS College, Madayi

As part of the certificate course offered by MathLab Cochin, the Department organized a hands-on workshop on GeoGebra, for second-year BSc Mathematics students, empowering students with cutting-edge mathematical software skills. Students actively practiced GeoGebra, applying newfound skills to enhance their mathematical understanding. They worked diligently on assignments, leveraging GeoGebra's interactive tools to visualize complex concepts, to explore mathematical models, and to develop problem-solving strategies. Through this practical experience, students deepened their understanding of mathematical principles and developed confidence in using technology to enhance learning. On 13th December 2023, students participated in the online examination conducted by MathLab, Cochin. Following the examination, the institute awarded certificates to students based on their performance.
