**AQAR - 2020-21**  
**Re-Accreditation Cycle 2**

**CRITERION IV - INFRASTRUCTURE AND LEARNING OUTCOMES**

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

At our college, sports play a pivotal role in fostering not only physical health but also mental well-being among our students. Our expansive common grounds serve as a hub for various outdoor activities, providing ample space for sports enthusiasts to engage in everything. Additionally, our dedicated Kho-Kho grounds create a vibrant atmosphere for traditional Indian sports, encouraging teamwork and strategic thinking. The gymnasium is equipped with modern facilities, ensuring a comprehensive approach to fitness. The pavilion stands as a symbol of our commitment to excellence in sports, offering a space for events, gatherings, and celebrations. At our college, we believe in nurturing not just the physical and academic aspects of our students but also their artistic and cultural talents. They have consistently showcased their talents and represented our institution with pride at various university festivals.

The pandemic, unfortunately, disrupted the usual flow of events, and our students missed out on the opportunity to participate in the festivals that have become a hallmark of our cultural calendar.
