### Action taken report on feedback 2018-2019

Feedback system is effectively Implemented and responds have been collected from students, teachers, alumni and parents respectively. The analysis and results help to make the curricular aspects of teaching and learning.

Institution follows Kannur University rules and regulations for curriculum design. Faculty members participate in curriculum design workshops. Faculty input is valued and incorporated into the curriculum design process. All programs in the college adhere to the CBCSS model. Courses are clearly communicated to students by tutors and individual teachers.

An Academic Calendar is prepared at the beginning of the academic year. Internal examinations and assessments are scheduled in advance, following University norms. Additional efforts are made to enhance student capabilities, including remedial sessions. Committees oversee the coordination of these efforts to ensure smooth functioning.

Teachers are appointed to specific committees and responsibilities are recorded. Teachers maintain work diaries for lesson planning and student evaluation records. Various registers are maintained by the department for proper documentation. The college's tutorial system supports students in achieving their academic goals.
