

# **CO-OPERATIVE ARTS AND SCIENCE COLLEGE, MADAYI**

## **Institutional Distinctiveness**

The institution has been playing a very significant role in transforming the social fabric of the Madayi area. The Vision of the institution is 'Educate to Empower' and this is precisely what the college is doing to the many underprivileged.

### **1. Support for the under privileged:**

Madayi and its surrounding hamlets are inhabited by socially and economically backward communities. Fisher men, unskilled labourers and small farmers represents the major population. Accessing to higher education opportunity is a blessing for such class of people. The college provides the opportunity for many to pursue higher education. Since its inception the college has given opportunities to the children.

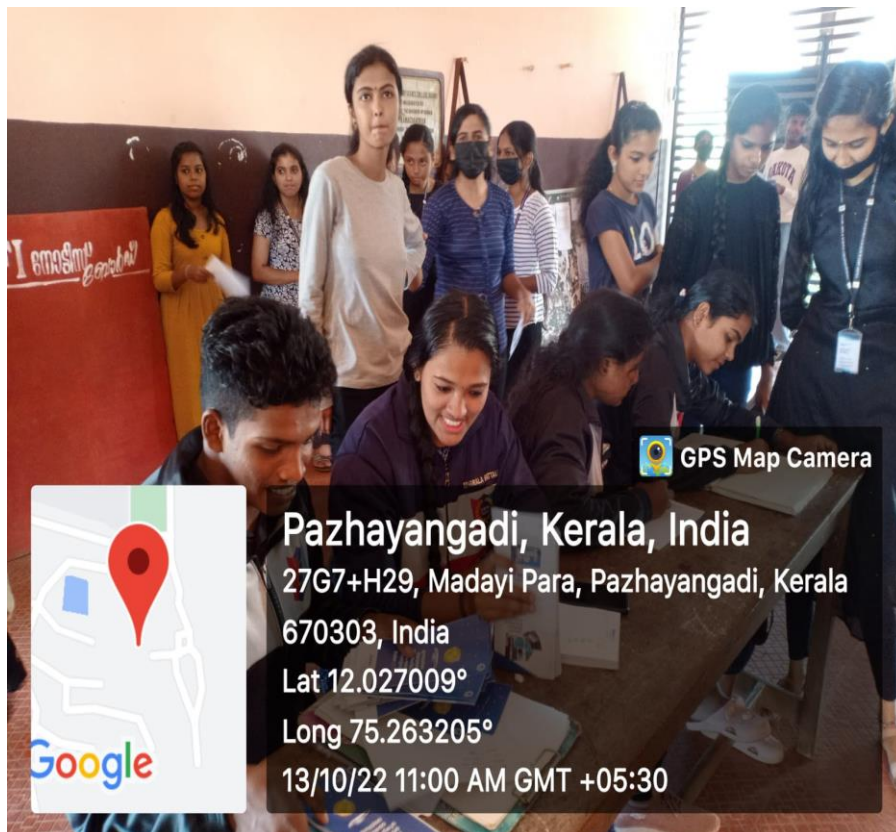

### **2. Education opportunities:**

the college which is situated in a rural area is undoubtedly a boon to many poor students who wish to pursue higher education.

### 3. Medical camp:

Apart from this, the institution organised many programmes having society and industry linkages. During the year, NSS units of the college organised many programmes such as medical camp for awareness of cancer detection, eye camp and blood donation camp in collaboration with nearby hospitals. Further, NCC unit of the college is also arranged many social welfare activities for the surrounding community.

#### 4. Inculcation of Reading habit among rural population:

Department of Malayalam started a Programme “VEETTAKA VAYANA” for inculcating and promoting reading habits among the inmates of the surrounding area.

#### 5. Awareness programmes:

In addition, during rainy season students of the college provides awareness classes to the nearby colony inmates on infectious diseases

#### 6. Meals for the homeless:

One of the best practices of CAS college, Madayi I distribution of food for the homeless staying at Payangadi street, bus stand and Railway station. NCC, NSS and students’ union jointly following this best practice and it helps the students to become a socially committed citizen and able to know the pulses of society.

#### 7. Digital Literacy Awareness Programmes
