## Curriculum Feedback from Alumni

Since the academic year 2022-2023, the Institutional Quality Assurance Cell (IQAC) has annually conducted a curriculum survey involving the Alumni of UG and PG students of the Institution. This survey comprises 10 questions aimed at evaluating curriculum quality and delivery. Sample feedback is collected using a Five Point Scale.

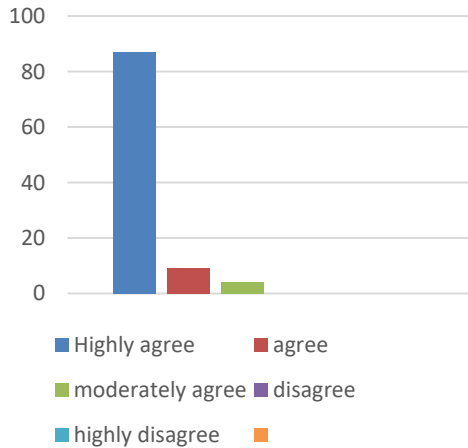

SL No.	Statements	Excellent	Very Good	Good	Poor	Very Poor
1	Adequateness of the courses offered in the programme	87	9	4	0	0
2	Rate the efficiency of the syllabus enabling you to face other aspects of the life	89	10	1	0	0
3	Relevance of the curriculum in relation to your current professional life	86	10	4	0	0
4	Rate the skills acquired from the curriculum for practical exposure in life	90	10	0	0	0
5	The choice of electives in providing competence in employability skills, Communicative and soft skills	83	14	3	0	0
6	The design of syllabus prescribed provides room for self -learning	85	13	1	1	0
7	The competence and support offered by the institution for the overall development of the students	80	15	5	0	0
8	Curriculum enhances various co-curricular activities	88	10	2	0	0
9	Whether syllabus helps you to motivate towards research	85	15	0	0	0
10	Suggestions if any to improve the overall quality of the curriculum

## Graphical Result of the feedback from Alumni

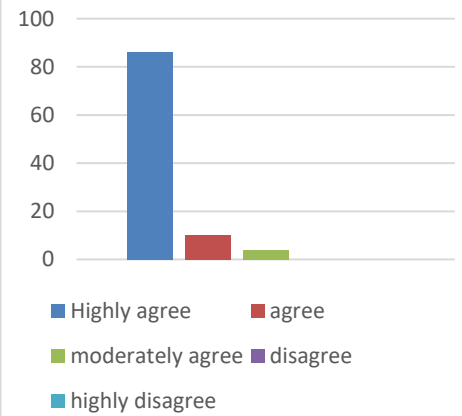

1. Adequateness of the courses offered in the programme.

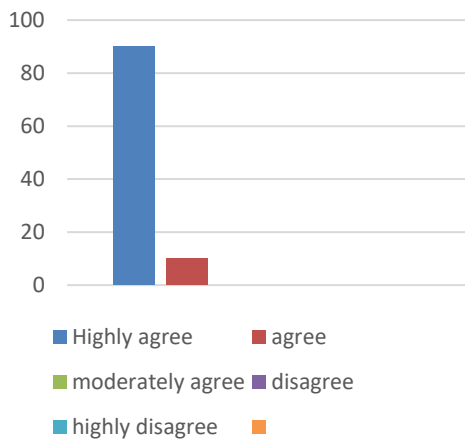

2. Rate the efficiency of the syllabus enabling you to face other aspects of the life

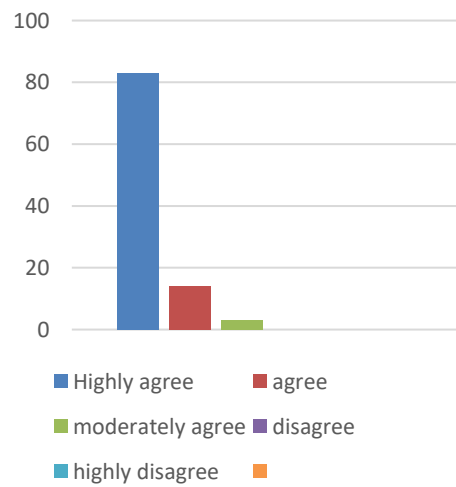

3. Relevance of the curriculum in relation to your current professional life

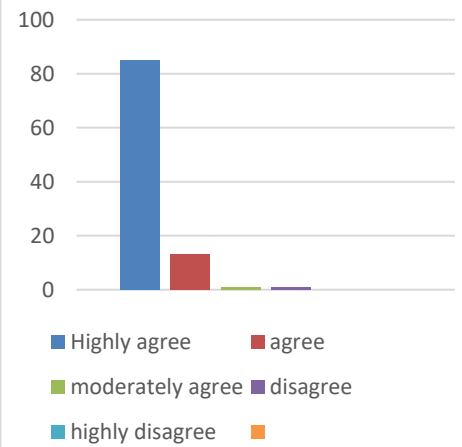

4. Rate the skills acquired from the curriculum for practical exposure in life.

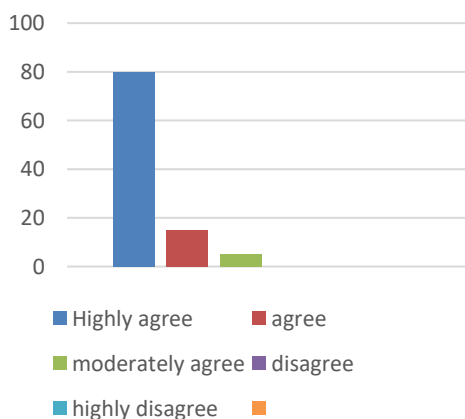

5. The choice of electives in providing competence ...

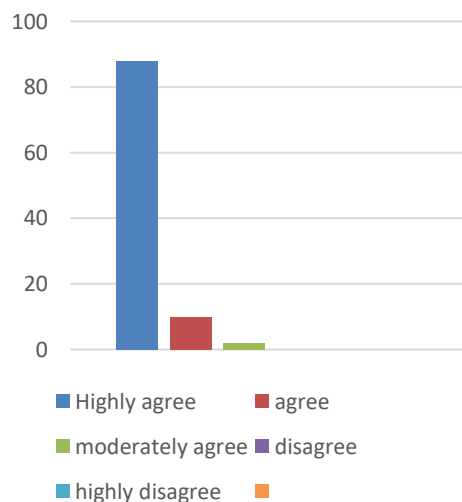

6. The design of syllabus prescribed provides room for self-learning

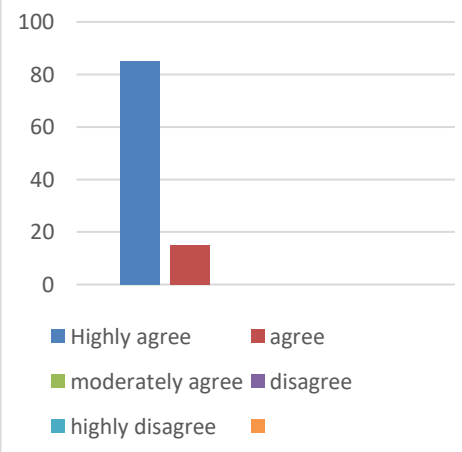

7. The competence and support offered by the institution for the overall development of the students

8. Curriculum enhances various co-curricular activities

9. Whether syllabus helps you to motivate towards research.

## Feedback Analysis

1. **Adequateness of the courses offered in the programme:** A significant majority (87%) rate the adequateness of the courses as excellent, indicating strong approval. The ratings of very good (9%) and good (4%) suggest overall satisfaction with the course offerings.
2. **Rate the efficiency of the syllabus enabling you to face other aspects of life:** Most respondents (89%) find the syllabus highly efficient in preparing them for various aspects of life, with additional strong support from those rating it very good (10%) and good (1%).
3. **Relevance of the curriculum in relation to your current professional life:** The curriculum is rated as highly relevant to professional life by the majority (86%). The very good (10%) and good (4%) ratings further underscore its relevance and practical application.
4. **Rate the skills acquired from the curriculum for practical exposure in life:** An overwhelming majority (90%) rate the practical skills acquired as excellent, with the remaining 10% rating them very good. This indicates the curriculum is highly effective in imparting practical skills.
5. **The choice of electives in providing competence in employability skills, communicative and soft skills:** The electives are rated as excellent by the majority (83%), with very good (14%) and good (3%) ratings indicating strong support for the effectiveness of the elective choices in providing key skills.
6. **The design of syllabus prescribed provides room for self-learning:** Most respondents (85%) rate the syllabus design for self-learning as excellent, with strong support from very good (13%) and good (1%) ratings. One poor rating (1%) suggests a minor area for improvement.
7. **The competence and support offered by the institution for the overall development of the students:** The majority (80%) rate the institution's competence and support as excellent, with strong additional support from very good (15%) and good (5%) ratings, indicating overall satisfaction with the support provided for student development.
8. **Curriculum enhances various co-curricular activities:** Most respondents (88%) find the curriculum excellent in enhancing co-curricular activities, with additional support

from very good (10%) and good (2%) ratings, indicating strong approval of the co-curricular enhancement.

9. **Whether syllabus helps you to motivate towards research:** A large majority (85%) rate the syllabus as excellent in motivating research, with the remaining 15% rating it very good, indicating strong encouragement towards research activities.
