Action taken Report on Feedback - 2021-2022

Feedback analysis is vital to identify the common issues, and areas for improvement such as teaching and learning, research, infrastructure, governance, student support services, etc.

Feedback is collected from all relevant stakeholders, including students, faculty, and staff, alumni, employers, and community members. For collecting the relevant data, the institution used surveys method to collect comprehensive data. The analysis and results help to make the curricular aspects of teaching and learning.

The institution has allocated necessary resources on the priority basis, including funding, infrastructure and to support the implementation of the action plans effectively and ensured that all resources are allocated based on the prioritized needs and objectives.

The reference books and other related study materials on the subjects will be made available in the library. As per the syllabus is concerned, special lecture series and inspirational classes were organized to inspire the students.

IQAC facilitates various programmes like seminars, awareness classes, extension and outreach programmes in association with various departments in the institution, charitable institutions and stakeholders. IQAC also take initiative to provide information regarding scholarships, library facility, various committees, gender equality, women empowerment and extra -curricular activities.

The faculty members of the college who are the members of Board of studies and Senate actively participated in the restructuring and revision of the curriculum. Accordingly, suitable and significant changes and modifications are incorporated in the new syllabus and curriculum.
