Action taken Report on Feedback - 2019-2020

Feedback system is effectively Implemented and responses have been collected from students, teachers, alumni and parents respectively. The analysis and results help to make the curricular aspects of teaching and learning.

The faculty members of the college who are the members of Board of studies and Senet actively participated in the restructuring and revision of the curriculum. Accordingly, suitable and significant changes and modifications are incorporated in the new syllabus and curriculum.

Institution follows a meticulously planned curriculum aligned with Kannur University guidelines. Faculties actively engage in workshops to design and refine the curriculum. Teachers contribute ideas for curriculum development, ensuring relevance and effectiveness. All programs adhere to the CBCSS model for flexibility and student-centred learning. Courses are clearly communicated to students by tutors and individual teachers.

An academic calendar is prepared at the outset of the academic year for systematic program implementation. Internal examinations and assessments are scheduled in advance, adhering to University norms.

Additional efforts are made to enhance student capabilities through remedial sessions and committees. These sessions aim to address student needs and facilitate smooth program functioning. Registers for internal assessment, attendance, and remedial classes. Departmental coordination ensures proper documentation and compliance. The tutorial system assists students in achieving their academic goals. Teachers play a pivotal role in guiding students through tutorials and evaluations.

The faculty members of the college who are the members of Board of studies and Senet actively participated in the restructuring and revision of the curriculum. Accordingly, suitable and significant changes and modifications are incorporated in the new syllabus and curriculum.
