Minority Cell

Policy on Minority Cells

The following are some of the duties that the Minority Cell will perform:

1. Make sure kids from minority populations have equitable access to educational options.
2. Make it easier for minority students to receive financial aid and scholarships from government programs and other sources.
3. Keep an eye on how minority students receiving remedial coaching at the college are doing.
4. Assure protection and reservations in accordance with the Indian Constitution.
5. Any additional work that is occasionally assigned to support minority students' pursuit of higher education.

Regular reviews will be conducted to ensure the efficacy and relevance of these policies. The relevant authorities must approve any suggested modifications to the policies.

Minority Cell Policy

The Minority Cell will carry out the following tasks, to name a few:

Ensure that children from underrepresented groups have fair access to educational opportunities.

2. Facilitate the process for minority students to apply for government programs and other sources of financial help and scholarships.
3. Monitor the progress of minority students who are receiving remedial coaching at the college.
4. Guarantee reservations and protection in line with the Indian Constitution.
5. Any additional tasks that are periodically given to help minority students who want to pursue higher education.

We'll be doing regular reviews to make sure these rules are still relevant and effective. Any suggested changes to the policies require approval from the appropriate authorities. Minority
