## **Criterion 6**

**6.2.1: The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures**

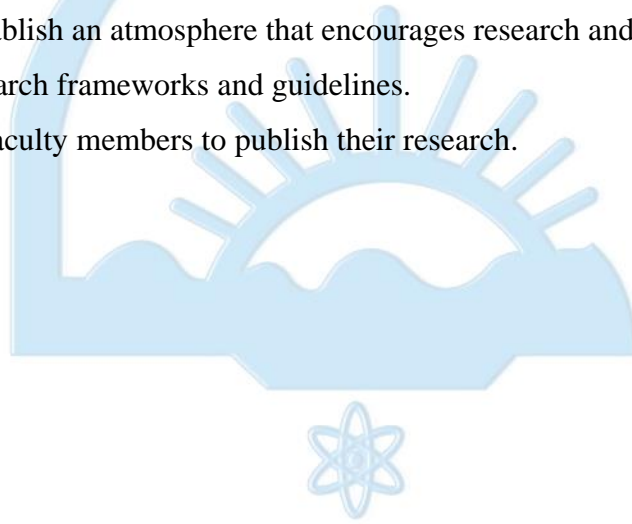

**Research Policy**

## Research Policy

Co-Operative Arts and Science College seeks to foster innovation, open up new channels for information dissemination, and improve the atmosphere for teaching and learning for students, professors, and research scholars. The college's research policy is to foster in all students a scientific temperament and a research aptitude. The following are the policy guidelines: 1. To promote research atmosphere, establish and maintain a research culture, and inspire staff and students to participate in research activities, a Research Committee shall be established under the direction of the College Principal.

2. The college will establish an atmosphere that encourages research and offers the necessary resources, such as research frameworks and guidelines.

3. Encouragement of faculty members to publish their research.
