Criterion 6

6.2.1: The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures

Policies on Student Support and Services

Regulations pertaining to Student Services and Support

The following guidelines are designed to give students all-encompassing assistance with both their personal and academic lives.

1. Extension and Outreach Policy.
2. The college administration must give its approval before any extension activities can start.
3. A comprehensive proposal describing the purpose of the project, the intended audience, the goals, the schedule, and the budget must be turned in by the students.
4. The college might offer funding for authorized extension initiatives.
5. After finishing the course, students must turn in their final report and keep a regular journal of their activities.
6. When choosing recipients of scholarships and other rewards, active involvement in extension activities is given preference.
7. NSS, NCC, and other extension operations will all be governed by the policies and implementation
